

## Gold/Diamond SELLER Notification & REGISTRATION

**END SELLERS/Mandates (not Brokers)** submit Company & Product Information for us to match/share with potential Buyers.

**Scam alert:** With Buyers concerned about fraudulent sellers, you can send any picture ID, company registration/licenses, or tax/corporate certificates for added confidence.  
**Buyers may send private technical/security teams for on site verifications.**

When you submit this sheet or ANY deal to us, you

- Certify your products & transactions are lawful/legal in all aspects
- Give permission for us to share your information with potential Buyers
- Agree to [marketing/referral commission below](#) from your Seller side -- in first & all future downstream transactions with our Buyers
- Accept any referral on an “as is” basis with no guarantee given or implied
- Accept responsibility for your own independent legal review and due diligence -- and hold Finance Globally (and partners) harmless for any later results
